## Training & Placement Cell

### NOTICE

This is to inform all B.Tech. third year and final year students of IT/ ME/ EE that process for selection of students coordinators for training & placement cell has started. Those students who are interested in taking part in training & placement activities need to submit an application stating their skills, qualifications, etc. which will be helpful for proper conduction of training & placement activities in the college.

Interested students have to submit their Curriculum Vitae (CV) along with the application latest by August 30, 2018 to the office of undersigned.

The students will be shortlisted for interview based on their application and CV. For any further queries, contact the undersigned.
