TEQIP-3

Technical Education Quality Improvement Program

RAJKIYA ENGINEERING COLLEGE BANDA

Banda | 210201 | Uttar Pradesh | INDIA

Website

<https://www.recbanda.ac.in>

ABOUT THE COLLEGE

Rajkiya Engineering College Banda, is one of the affiliated Colleges of Dr. A.P.J. Abdul Kalam Technical University (AKTU), Uttar Pradesh. Since its inception in 2010 with three branches (Electrical Engineering, Mechanical Engineering & Information Technology) the college is committed to provide a perennial flow of knowledge. The campus is spread in a small area of lush green environment, with world class infrastructure and facilities at Atarra, near Chitrakoot. It is far away from air and noise pollution providing a perfect amalgamation of a healthy and viable environment.

Fully residential campus for students, faculty and staff seamlessly blend academics and co-curricular activities to create a 24X7 learning environment.

The college has been selected under Technical Education Quality Improvement Program (TEQIP-III). The development objective of TEQIP-III is to enhance quality and equity in participating engineering college and improve the efficiency of the engineering education system. All infrastructure as per the norms of AICTE has been developed at the campus to commence studies in three branches of engineering (Information Technology, Mechanical Engineering & Electrical Engineering) w.e.f. session 2015-16. AKTU Lucknow has allotted a grant of Ten Crore Rupees to the college under prestigious Deen Dayal Upadhyaya Quality Improvement Program (DDUQIP) scheme. For more details kindly visit college website:- www.recbanda.ac.in

ATTRACTIONS NEAR US

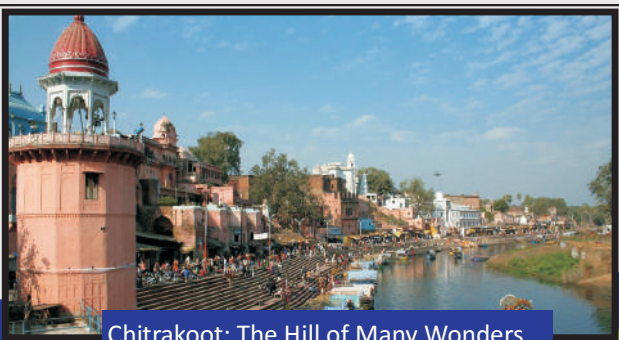

Khajuraho: The Architectural Masterpiece

Khajuraho is known around the world for its stunning **temples** adorned by sensuous carvings. The place is a brilliant example of Indian architecture and its culture.

Kalinjar: The Fortress City of Bundelkhand

The Kalinjar Fort is a ruined citadel and a great historical fort of Bundelkhand, located just 45 km away. The fort and its adjoining environs consist of temples, sculptures, inscriptions and caves.

Chitrakoot: The Hill of Many Wonders

Chitrakoot, located just 50 km away, is a big tourist attraction. It is a spiritual place where Lord Rama spent a twelve years of his fourteen years of VANVAAS. Places of religious importance in Chitrakoot are Kamadgiri, Ramghat, Bharat Milap, Janaki kund, Hanuman Dhara, Gupt-Godavari etc.

DRI

Deendayal Research Institute (DRI), Chitrakoot is an integrated and holistic model for the development of rural India, based on the principals outlined in Pt. Deendayal Upadhaya's "Integral Humanism" to create a society based on the complementarity of the family.

ABOUT THE WORKSHOP

The one week workshop on Emerging Technology for Economic and Social Impacts in India is scheduled to be held during 11-15 March 2019. Highly experienced and renowned experts are invited and will deliver lectures on emerging technologies for economic and social impacts in India. This workshop is an exciting way to create a foundation for future use in innovation.

WORKSHOP OBJECTIVES

- ★ The basic objective of the international workshop is to serve as an ideal platform for academicians, researches, engineers, and scientists to exchange their expertise in the field of emerging technologies that impact the economic and social growth of India.
- ★ The workshop is expected to help students and researchers to update themselves about the current trend of their research field through resource persons.

WHO SHOULD ATTEND

- ★ Researchers and engineers from academia, R&D organization, UG, PG students and industry person can attend this workshop to update their knowledge in the field of emerging technology in the recent context.
- 

DISTINGUISHED SPEAKERS

Dr. Brij N. Singh
North Dakota State University,
Fargo, North Dakota, USA

Prof. Om Yadav
North Dakota State University,
Fargo, North Dakota, USA

Dr. Anshuman Tripathi
Head of Consulting, Americas
San Francisco, USA

Prof. Bindeshwar Singh
KNIT Sultanpur

Prof. Bharat Lohani
IIT Kanpur

Prof. S.P. Singh
IIT Roorkee

Prof. Rajesh Gupta
MNNIT Allahabad

Prof. Sanjay Agarwal
BIET Jhansi

Shri Rajeev Shukla
Power Grid Corporation of India
Fatehpur

Prof. Prabhakar Tiwari
MMMUT Gorakhpur

HOW TO REACH US

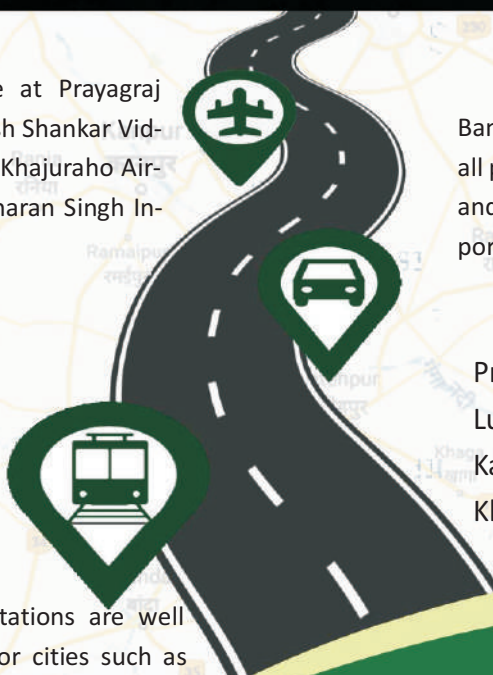

The airports in the vicinity are at Prayagraj (Bamrauli Airport), Kanpur (Ganesh Shankar Vid-yarthi Airport), Madhya Pradesh (Khajuraho Air-
port) and Lucknow (Chaudhari Charan Singh In-
ternational Airport).

Banda city, on NH-35, is connected to all parts of the country by good roads and easily available transport. The im-
portant neighboring cities are:

Prayagraj	—> 170 km
Lucknow	—> 266 km
Kanpur	—> 165 km
Khajuraho	—> 103 km

The Atarra and Banda railway stations are well connected by trains with all major cities such as Delhi, Kolkata, Mumbai, Lucknow, Kanpur, Praya-
graj, Varanasi, Agra & Jhansi.
