Dear Madam/Sir,

As you are aware, NBA as a policy has been considering Tier II Institutions in TEQIP III in the backward areas temporarily for grant of accreditation for 2 years under a separate category. In particular, the programs of TEQIP III Tier II Institutions are considered without asking for pre-qualifiers and 2 years accreditation is granted if such Institution scores 600 and above marks.

2. NBA has now decided that all such UG Engineering Programs of TEQIP III Tier II Institutions accredited for 2 years and whose validity of accreditation is expiring on 30-06-2023 or afterwards, would be considered for accreditation of (2+1)/ (2+4) years if they satisfy all the essential parameters of pre-qualifiers for accreditation of 3/6 years.

3. The following UG Engineering program of your Institution have been granted accreditation by NBA for a period of 2 years in Tier II vide NBA's letter No. 35-159/2018-NBA dated 14/02/2023 as per the details mentioned below:

S.No (1)	Name of the Program(s) (2)	Period of validity of accreditation (3)
1.	Electrical Engineering	2022-23 to 2023-24 i.e. upto 30/06/2024

In view of the above, you are requested to submit the pre-qualifiers for the program mentioned above considering CAY as 2023-24 as per the proforma attached herewith to enable NBA to consider grant of accreditation to the programs for the period of (2+1) years.
